#### 2. Announcements.

Go Bag Event June 23<sup>rd</sup> Dance Barn 6:30PM sponsored by the Safety Committee. Also Map Your Neighborhood.

#### 3. Property owner comments.

- Several property owners spoke about the increase in “public” use of our beaches and facilities during the summer months. Overflowing trash bins, non-residents failing to use the dog park for off leash pets and using anywhere in the marina park to allow pets off leash. Failure to pick up after dogs. The number of non-residents and overcrowding is becoming a problem with the warmer weather.
- Consider more moderate rates for families and members for golf.
- Comments were made to find a method to identify non-members and have a parking permit for residents and a fee for non-member parking. Include funding and implementation in 2026. Simple steps to get a handle on limiting public access and charging fees for use. Stickers for residents’ cars.
- Update on the Pump Track Project. The pre-application is moving forward with the group paying for the cost. The draft is in its final stages. The group has been fundraising and has so far raised about \$4,500 toward the project. The group has contracted with a project manager who has deep experience in recreational facilities and buildouts of this nature to

assist when the time comes and helping meet with the County for permitting. After summer early fall should have an update on the project. Also seeing if they can do a bike fair rodeo at the Valley Fair in July.

- A member asked if the Board could investigate covering the Quiet Pool for continued use in the off-season. Possibly doing a charter membership plan to help cover the cost of the project.

#### 5. Reports

##### 5a. GM April Report (Pages 7-9)

##### 5b. Committee Updates

i) **Architectural Control**-Nothing new to report but still have committee openings.

ii) **Document Review**-Had technical difficulties with our first meeting so will be rescheduled for June 25<sup>th</sup>.

iii) **Finance Committee**-No meeting since our May meeting. We are looking at starting to build on the budget and still have an opening on the committee.

iv) **Long-Range Planning**-We met on the 1st Thursday of the month. It was full attendance. We were discussing two opportunities to bring in revenue to the community instead of spending money but have some revenue. We have had four proposals, one that was brought surprisingly was about parking in stickers and charging visitors. We do have a proposal to bring to the board the next board meeting regarding that, so action is in process regarding stickers. Looking at possible solar panel farm on the old runway property. SVCA property to lease for a long term care facility here for residents who may want to stay close to home for care. Also looking at a coffee and ice cream place. There is currently an opening on the committee.

v) **N&E Committee**-Getting ready for the AGM, Developed our communication plan. The Board and committee did a test of the online voting option. It is an easy and safe way to vote at the AGM. More information will be coming for the membership regarding this new option. Hoping this additional method of voting will increase the number of members voting. The committee has a vacancy.

vi) **Safety Committee**- we have our June 23rd Go Bag presentation, also moving along on the loaner rack for the life jackets down in the Marina. Trying to submit something into the budget for "how fast you're going" reader signs as speeding has become an issue on some of the main roads.

vii) **STR Taskforce**-We have met twice already, and we have identified other things that we also like to just keep on top. I think in our next meeting we will talk about finishing that up. And then the implementation of the registration because that is going to be an issue, too, and then just identifying some things that we need on the form.

We just put a lot of stuff on the table and wanted to know exactly what we are dealing with at this point. We are trying to nail down an STR registration form and any items requiring legal or other professional advice on, just to see what we can and cannot do.

## **GENERAL MANAGER'S REPORT**

**June 2025**

**Michael Bennett, General Manager**

Sudden Valley Community Association

---

### **June Overview**

June arrived with classic Pacific Northwest charm—mild mornings, warm afternoons, and the occasional spring drizzle giving way to dry and sunny stretches. Precipitation through mid-June totaled 22.41 inches year-to-date, noticeably drier than the same period last year (30.84 inches), allowing summer programming and maintenance to surge ahead across all departments. The community has come alive with outdoor activity, project completions, and preparations for a bustling July.

---

### **Community Engagement and Events**

- The Valley Fair 2025 is scheduled for Saturday, July 26, 2025, running from 10:30 AM to 3:00 PM at the Community Center (8 Barn View Court, Bellingham, WA). The Fair remains our flagship summer community event and is expected to draw significant participation. See you!
  - The Recreation Department has launched planning for a Sudden Valley 5K, tentatively scheduled for September. Local involvement has been strong, and the event is poised to become a recurring community highlight.
  - Play the Valley Sports Camp and other summer youth activities are being developed and marketed, with an emphasis on inclusive and engaging recreational opportunities.
  - Daily popcorn offerings in the Community Center have proven popular and are a small but successful initiative to increase engagement and improve visitor experience.
- 

### **Recreation and Pools**

- Pool operations are now fully underway with the conclusion of the school year. Staff availability has improved significantly, allowing for a smoother experience for

members and guests. Policies are being revised to ensure clarity and inclusivity, including updates to Quiet Pool rules and signage.

- Lifeguard training is scheduled for June 23, and remaining kayak rack spaces are being assigned.
  - Two quotes for cardio equipment replacement at the Fitness Center are under review, while resistance training accessories have been added to support a broader range of fitness goals.
- 

### **Golf Operations and Turfcare**

- The Golf Department successfully onboarded new 1st Assistant Danielle Bailey and completed documentation for the annual audit. Please give her a warm welcome!
  - Highlights include preparation for Junior Golf Camp, scheduled for late June, and ongoing planning for the Ladies Invitational, BIAWC Tournament, and Aslan Fundraiser in August.
  - The Turfcare team has maintained consistent mowing schedules and opened the #9 Green and chipping green for play in May.
  - Technical maintenance included replacing irrigation controller parts, cleaning the Lake Louise pump intake, and beginning turf cleanup around permanent markers.
  - Height of greens has been reduced to .105" for improved play, and topdressing and Verti-cutting are scheduled in the coming weeks.
- 

### **Maintenance Operations**

- Firewise defensible space mitigation is complete, with 600 staff hours and increased resident participation. This frees up the crew to focus on other high-impact tasks.
- New signage has been installed at Gate 2 and the Marina, greatly improving the sense of arrival and providing better readability and information.
- Facility repairs included:
  - Sauna boards and lighting
  - ADA lift at the main pool

- Toilets at Hole 14 and Clubhouse
    - New blinds and signage installations at Welcome Center and Marina
  - Grounds maintenance ramped up with mowing completed in most Gates, and center line road striping finalized.
  - The team also supported environmental efforts, including lily pad mitigation at Lake Louise and preparation for an Eagle Scout-led Personal Flotation Device (PFD) “loaner” kiosk project.
- 

### **Notable Community and Regional Events**

- Bellingham’s Fairhaven Summer Repertory Theatre, Downtown Night Markets, and Lake Whatcom paddle sports events are all in full swing, contributing to broader local tourism and recreational interest.
  - SVCA’s proximity to these events provides opportunities for cross-promotion and regional draw, particularly for golf, pool use, and clubhouse rentals.
- 

### **Closing Remarks**

Sudden Valley moves confidently into the summer season with strong departmental coordination, growing resident engagement, and favorable weather for capital and recreational activities. As we enter July, our priorities will include finalizing preparations for the Valley Fair, addressing key infrastructure maintenance, supporting lake health initiatives, and delivering on our promise of a vibrant and inclusive community experience.

\* The Association's internal policy is to write off any member receivables that are 30 days past due as bad debts for internal interim financial statement purposes. As per SVCA policy, Management continues to pursue collection of these receivables via all avenues allowed by Washington State laws. In addition, the Association records and bills finance charges on receivables that are thirty days past due at 1% per month. At April 30, 2025, and December 31, 2024, the balances of receivables written off were \$762,116 and \$699,426, respectively.

\*\* Beginning with the 2020 year end audited financial statements, Accounting Standards Codification (ASC) 606 requires issued audited financial statements to reclassify unspent capital dues revenue, including related capital transfer fee collections, as a contract liability balance (unearned revenue), which is then reversed out in future years when capital dues/capital transfer fee collections are actually expended on capital related expenditures. This particular accounting standard change is only incorporated into the issued audited financial statements and is not factored into SVCA's internal monthly statements as it would obscure the reality of monthly capital dues/capital transfer fee revenues collected for internal monthly presentation purposes. See SVCA's 2020 through 2023 audited financial statements (2023 represents the most recently issued audited statements), which fully incorporate ASC 606 and comply with Generally Accepted Accounting Principals (GAAP).

# APPROVAL REQUEST MEMO

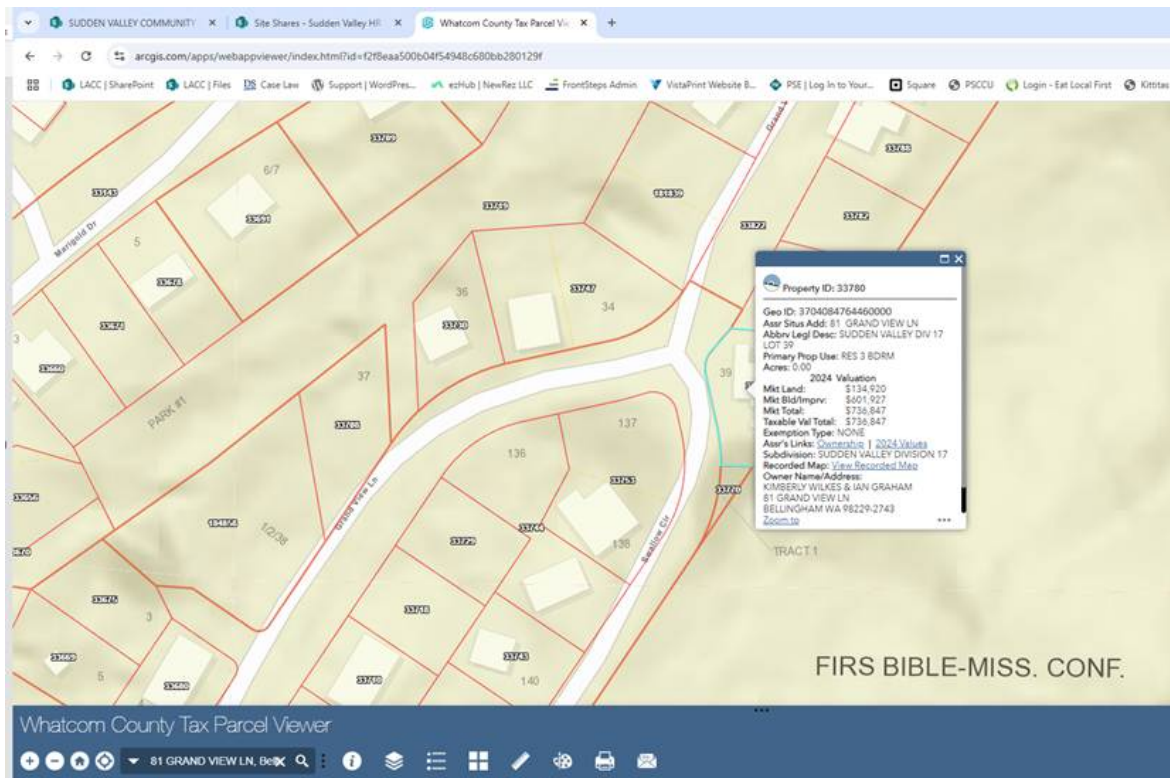

**To:** Sudden Valley Community Association Board of Directors  
**From:** Michael Bennett, General Manager  
**Date:** June 26, 2025  
**Subject:** Approval Request – Granting Easement on Parcel 33770 (Tract 1) to Ian Graham

## Purpose

To request Board consideration of granting a recorded easement, rather than a sale, to allow owner Ian Graham (81 Grand View Lane) lawful access and limited use of Parcel 33770 for drainage management and vegetation maintenance.

## Background

Parcel 33770 is a small, SVCA-owned, triangle-shaped lot adjoining 81 Grand View Lane. The owner, Ian Graham, originally sought to purchase the parcel; however, due to the 2022 Bylaws amendment (Art. III, Sec. 25), the parcel cannot be sold without a membership vote. To avoid the time and complexity of a full membership vote for such a small parcel, the Board may consider granting an easement instead.

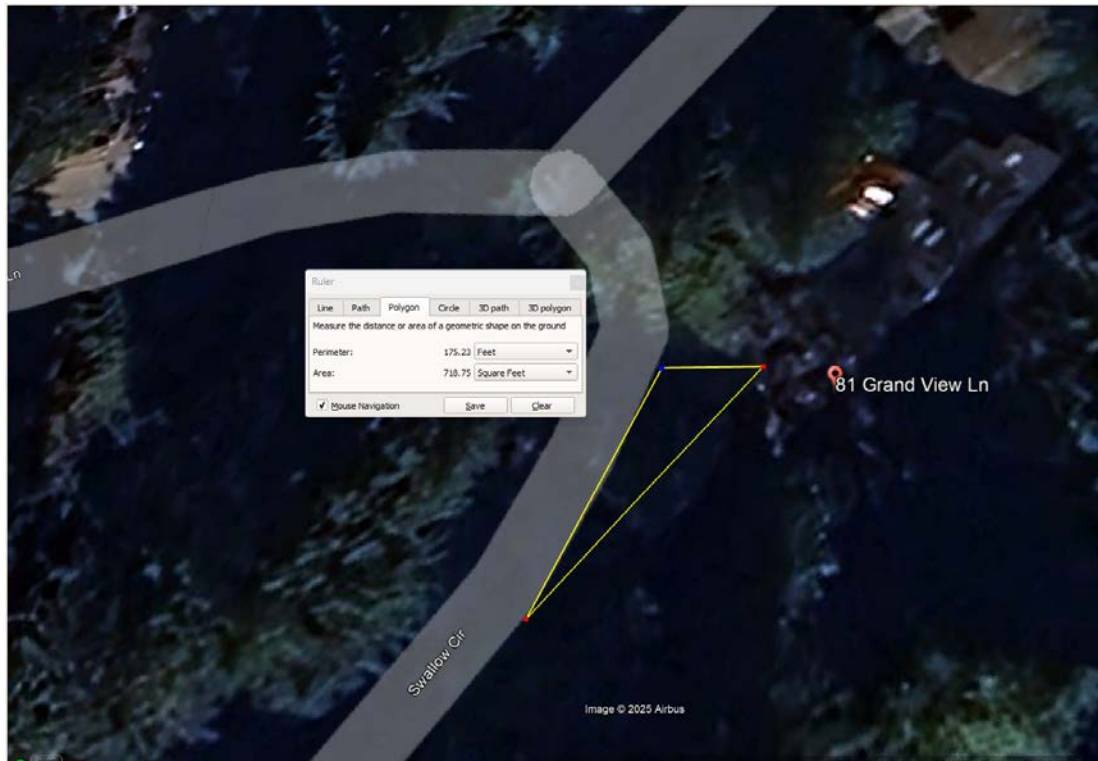

## Sudden Valley Community Association

360-734-6430

4 Clubhouse Circle Bellingham, WA 98229

[www.suddenvalley.com](http://www.suddenvalley.com)

### Analysis

#### Proposal

Mr. Graham would be granted a limited, non-exclusive easement allowing him to:

- Maintain vegetation (including hazard tree mitigation).
- Implement stormwater flow improvements that mitigate erosion risk to his and adjacent properties.
- Assume maintenance responsibilities for any improvements or access paths installed.
- All legal and recording costs would be borne by Mr. Graham. The easement agreement would be drafted by SVCA legal counsel and reviewed by staff prior to execution.

#### Community Impact & Benefits

- No transfer of title or ownership—SVCA retains the parcel.
- Reduces SVCA risk exposure and maintenance costs.
- Supports stormwater management in a sensitive hillside area, benefiting downstream properties and roads.

### Request

Request that the Board of Directors approve negotiation and drafting of an easement agreement for Parcel 33770, with all legal costs borne by Mr. Graham and no reduction of SVCA's legal interests or land use rights.

### Motion

Move to authorize SVCA staff and legal counsel to negotiate and execute an easement agreement granting limited use of Parcel 33770 (Tract 1) to Ian Graham of 81 Grand View Lane, subject to the terms outlined above and with all associated costs paid by the applicant.

## CAPITAL REQUEST MEMO

**To:** Sudden Valley Community Association Board of Directors  
**From:** Greg Wadden, Turfcare Superintendent  
**Date:** June 26, 2025  
**Subject:** Capital Request – 2025 Asphalt Improvements to Golf Course

---

### Purpose

This memorandum requests funding for necessary asphalt repairs to damaged cart paths throughout the Sudden Valley Golf Course, and for paving the gravel apron surrounding the Turfcare maintenance facility. These improvements are intended to enhance safety, improve operational efficiency, and reduce erosion and dust intrusion into sensitive maintenance areas.

### Background

The cart path system has deteriorated over time due to age, tree root intrusion, and weather-induced wear, leading to hazardous conditions for golf carts and pedestrians. This work represents Phase 2 of a 3-phase project outlined in the SVCA 10-Year CRRRF Plan for Golf Course Cart Path Rehabilitation.

In addition to the cart paths, the unpaved apron adjacent to the Turfcare facility is contributing to equipment wear and increased dust contamination in the maintenance building. Paving this area will mitigate both issues.

Construction is planned for Summer 2025, weather permitting.

### Analysis

This scope of work will include:

- Asphalt restoration of approximately 6,000 SF of cart paths.
- Asphalt restoration of the Turf Care apron for approximately 2,000 SF.
- Coordination of permit application with Whatcom County for a Notice of Activity (NOA) permit.
- Traffic and pedestrian safety measures during construction.

### Funding Plan and Budget Explanation

The original 2025 CRRRF budget allocated \$54,080.00 for Golf Course Asphalt Improvements. In February 2025, the Board reallocated \$18,144.00 from this budget line to cover an equipment replacement cost overrun (Top Dresser machine), reducing the available balance to \$35,936.00.

To fully fund the current capital request, staff recommends reassigning \$18,144.00 in unspent CRRRF funds from the Turfcare Building Remodel project. On May 22, 2025, the Board approved \$116,785.00 for that remodel from a total CRRRF allocation of \$141,994.00, leaving \$25,209.00 in unused, unrestricted funds.

Reallocating a portion of these remaining funds will fully cover this asphalt improvement request without exceeding the total CRRRF budget for 2025.

## **Bids and Project Budget**

Three quotes were received per the attached bid tabulation, and Asphalt NW is the low bidder. The bid tabulation uses the square footage calculation from Turf Care for comparison and ignores the separate quantities listed on each quote. Overall budget for this project:

- \$3,000.00 Permit Allowance – Notice of Activity Permit with Whatcom County – Complete application and permit fee.
- \$49,556.22 – Construction estimate with WSST per attached bid tabulation.
- \$0.00 – Oversight by the Turfcare Superintendent under the operations budget.
- \$52,556.22 – Subtotal
- \$1,523.78 – Contingency
- **\$54,080.00 – Total Project Budget**

## **Proposal**

Authorize \$54,080.00 from CRRRF for asphalt improvement to the golf course, and authorize contract award to Asphalt NW.

## **Request 1**

Approve total project funding of \$54,080.00 from CRRRF, including reallocation of \$18,144.00 from the unspent balance of the Turfcare Building Remodel budget.

## **Request 2**

Request approval for the general manager to execute a contract with Asphalt NW utilizing SVCA's standard construction contract.

## **Motion 1**

Move that the SVCA Board of Directors approve the allocation of \$54,080.00 from the CRRRF to fund asphalt improvements to the golf course cart paths and Turfcare apron, including the reallocation of \$18,144.00 from unspent funds in the Turfcare Building Remodel budget.

## **Motion 2**

Move that the SVCA Board of Directors authorize the general manager to execute a contract with Asphalt NW utilizing SVCA's standard construction contract.
