

July 2018

Thank you for picking up an application for an open position on the SVCA Board, the Architectural Control Committee or the Nominations & Elections Committee.

The application period is open from July 5, 2018 and closes at 4:30 PM September 4, 2018. Packets are available either online through the SVCA website at www.suddenvalley.com on the home page, in person at the Administrative Office during regular business hours, or on the pamphlet rack outside the Administrative Office.

Completed documents must be returned to the Administration Office in a sealed envelope addressed to the N&E Chair by the closing date listed above. The time and date the submission is received will be stamped on the sealed envelope.

Candidates for a position on the SVCA Board, the Architectural Control Committee or the Nominations & Elections Committee are required to be members in good standing from the time of application, through their term of office, if elected.

In addition to the application, all candidates are asked to submit a maximum 100-word biography and photo to be submitted electronically after your application is accepted on September 4th. Board candidates additionally are required to submit a maximum 500-word essay stating their vision for Sudden Valley. All biographies and Board essays will be printed in the October Views. The biographies are also included as part of the official SVCA Notice of Meeting voting packet sent to each member.

There will be two (2) Candidate Forums. The forums are moderated by the Communications Committee. The specific dates and locations of these forums will be provided at a later date.

Once the applications are processed and confirmed after Labor Day, all vetted candidates will receive a notice from N&E containing further instructions. If, for any reason, you need assistance with this; additional information will be provided in the letter.

Thank you for volunteering, and if you have any questions, please contact N&E Chair, at BODBradley@suddenvalley.com.

Thank you,

Linda Bradley
