

Board of Directors
Sudden Valley Community Association
4 Clubhouse Circle
Bellingham, WA 98229

We have audited the financial statements of Sudden Valley Community Association (the Association) as of and for the year ended December 31, 2022 and have issued our report thereon dated November 6, 2023. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility under Generally Accepted Auditing Standards

As communicated in our agreement letter dated November 3, 2022, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are represented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Association solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating matters related to the audit that are in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Other Information in Documents Containing Audited Financial Statements

Pursuant to professional standards, our responsibility as auditors for other information in documents containing the Association's audited financial statements does not extend beyond the financial information identified in the audit report, and we are not required to perform any procedures to corroborate such other information.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Qualitative Aspects of the Association's Significant Accounting Practices*Significant Accounting Policies*

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Association is included in Note 2 to the financial statements. Other than the adoption of Topic 842, *Leases*, as described in Note 2, there have been no initial selection of accounting policies and no changes in significant accounting policies or their application during the year ended December 31, 2022. No matters have come to our attention that would require us, under professional standards, to inform you about 1) the methods used to account for significant unusual transactions and 2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Unusual Transactions

We did not identify any significant unusual transactions.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimate affecting the financial statements is the allowance for doubtful receivables. Management's estimate of the allowance for doubtful receivables is based on prior experience, the age of receivables at year end, the debtor's ability to repay the amount owed, and management's appraisal of current economic conditions. We evaluated these key factors and assumptions and determined that they are reasonable in relation to the basic financial statements taken as a whole.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the Association's financial statements relate to the items discussed in the significant accounting estimates section above, and Notes 5 (Property and Equipment), 6 (Intangible Assets), and 10 (Future Major Repairs and Replacements).

Significant Difficulties Encountered During the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. There were no uncorrected financial statement misstatements whose effects, as determined by management, are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as result of our audit procedures.

The attached schedule includes all material misstatements that we identified as a result of our audit procedures. They were brought to the attention of, and corrected by, management.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Association's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached letter dated November 6, 2023.

Management's Consultation with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Findings or Issues

In the normal course of our professional association with the Association, we generally discussed a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the Association, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Association's auditors.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with generally accepted accounting principles in the United States, the method of preparing it has not change from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

Closing

We will be pleased to respond to any questions you have about the foregoing. We appreciate the opportunity to be of service to Sudden Valley Community Association.

This communication is intended solely for the information and use of the Board of Directors and management and is not intended to be and should not be used by anyone other than these specified parties.
