# Advisory Vote 1

## Barn 6, known as the Ice Barn

Which of the following options do you prefer for the replacement of Barn 6 also known as the Ice Barn?

- 1. Remove the existing structure and replace it with an open-air pavilion; this option requires no special assessment for funding. The 2024 Capital Budget was prepared using this option. 604**
- 2. Remove the existing structure and replace it with an enclosed structure; this option would require a special assessment of approximately \$11 per month for 6 years on all members. 208**
- 3. Remove the existing structure and do not replace; this option requires no special assessment for funding. 191**

Advisory votes do not require the Board of Directors to take a specific action.

# Advisory Vote 2

## Marina Wet Slip Docks

The replacement of the Marina Wet Slip Docks is estimated to cost approximately \$1.9 M; which of the following options do you prefer for the funding of the Marina Wet Slip Docks replacement when they have reached the end of their useful life?

1. Beginning in 2024, increase annual wet slip use fees an additional \$1,200 to provide about one-third of the funding required to replace the Marina Wet Slip Docks; this option requires no special assessment for funding. The Capital Budget was prepared using this option. **634**
2. Place a 6-year Special Assessment of approximately \$9 per month on all members to fund the replacement of the Marina Wet Slip Docks. **162**
3. Do not replace the Marina Wet Slip Docks at the end of their useful life. **197**

Advisory votes do not require the Board of Directors to take a specific action.
