PROPOSED BUDGET  
Operations Presentation

August 3rd, 2023

## EXECUTIVE SUMMARY

### The Budgeting Process

The SVCA's budget is prepared every year. This annual budget is approved by the Board and voted on by the membership; to be executed over the following calendar year. While maintaining the core concept of annual authorization, the annual budget is developed within a multiyear perspective through strategic and long-range planning, the preparation of a 10-year Capital Plan, and a 30-year Reserve Study.

Revenue and expenditure, as well as constraints on assessment increases, are considered together to determine annual budget targets. The budget covers all SVCA Departments and operations, based on input and recommendations received from each Department's manager. This process ensures the budget presented to the membership is a consolidated picture of operations and is voted on, as a whole.

Sudden Valley's operating budget for 2024 balances \$4,287,474 in revenues with \$4,287,474 in expenditures.

**The proposed monthly dues for a developed lot in 2024 will be \$146.06**

**The proposed monthly dues for an undeveloped lot in 2024 will be \$138.71**

There will be no additional user fees in 2024 for the Parks/Pool/Fitness Center.

### WHAT IS COVERED BY THE 2024 ANNUAL ASSESSMENT?

**There are four components that go into your Annual Assessment:**

- **Operations Fund:** Annual revenue and expenses for all amenities and HOA services
- **Capital Repair Replacement Reserve Fund:** Funds for major repair, replacement, and restoration of common area components and equipment.
- **Roads Reserve Fund:** Funding for major roads, bridges, and culvert work.
- **Mailboxes Reserve Funds:** Anticipated expenses for cluster mailboxes and parcel boxes.

## **Linking Budgeting and Strategy**

Successful long-term organizational sustainability requires planning and the incorporation of both strategic and long-term planning processes, to identify vital and measurable goals. SVCA's mission, vision, and strategic priorities act as the guiding principles for Association decisions and actions taken by both the Board and staff.

## **2024 Operational Budget Background**

Recent challenges and opportunities related to the 2024 budget draft include accounting for anticipated additional payroll expense, anticipated increases in property/casualty insurance, fuel, utilities, and the prioritization of the maintenance of infrastructure and facilities that have been neglected.

The 5-year Recreation Special Assessment – which included recreation, pools, and parks – expired in May 2023. Beginning in the Budget Year 2024, all Parks-related expenditures will be accounted for within the Maintenance Department budget. This budgeting change was made at the request of the Maintenance Superintendent.

After careful review of the 10-year Capital Plan, the proposed 3% monthly dues increase in 2024 will be allocated to the Operations Budget.

## **Additional Budgeting Information for Members**

Member-petitioned dues and assessments are invalid under RCW 64.90.525, and the process for budget approval is exclusively governed by RCW 64.90.525. RCW 64.90.525(3) further describes the method for SVCA to levy a special assessment. It requires SVCA to utilize the same process as for a budget approval, which means that the membership cannot initiate a special assessment either through a special meeting or as a motion on the floor of the AGM. Rather, the Board must first approve a revised budget providing for a special assessment. The revised budget must contain the information required by RCW 64.90.525(2) and must be submitted to the membership for ratification. The revised budget passes unless 51% of the membership rejects the revised budget.

At the 2021 AGM, the Board put forward a Bylaw Amendment that was passed by a 2/3 majority vote of the members amending Article II, Section 2 of the SVCA Bylaws allowing the President to reject and petition that seeks to circumvent the legally required process for imposing a special assessment.

In 2019, the members passed the following bylaw amendment to Article III, C, Section 19 for reasonable limitations on annual dues and assessments increases.

## Section 19 of the SVCA Bylaws.

Annual Dues and Assessments, and Special Assessments.

(a) Assessments.

(i) All annual dues and assessments, and special assessments, shall be proposed for member approval by a vote of the Board, which member approval shall be by a vote of not less than sixty percent (60%) of the members present in person or by mailed ballot at any Annual or Special General Meeting. **\*see important Section footnote**

(ii) Annual dues and assessments shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit and enjoyment of the owners, including maintenance of the Association's real and personal property, all of which may be more specifically authorized from time to time by the Board.

(iii) Special assessments shall be for the purpose of paying the costs of, and any loans related to, capital improvements and repair.

(iv) Limitations on Dues and Assessments

1. a) Annual dues and assessments for any fiscal year shall not be increased greater than seven percent (7%) of the annual dues and assessments for the Association's preceding fiscal year.

b) Special assessments for any fiscal year, in aggregate, may not exceed fifteen percent (15%) of the budgeted gross assessment revenue of the Association for that fiscal year, excluding any budgeted special assessment revenues.

2. These limitations do not serve to limit assessment increases necessary for an unbudgeted emergency expense which exceeds 15% of the Budgeted Gross Revenues of the Association for the year in which an emergency assessment is proposed. At least one of the following must apply to the emergency situations expense(s):

a) Authorized or required by statute;

b) Required by an order of a court;

c) Necessary to repair or maintain the common interest development or any part of it for which the Association is responsible where a threat to personal safety on the property is discovered;

d) Necessary to repair or maintain the common interest development or any part of it for which the Association is responsible that could not have been reasonably foreseen by the board in preparing and distributing the annual budget.

3. Upon completion of a special assessment project, any excess funds will be considered common surplus, and shall, at the discretion of the board, either be returned to the unit owners or applied as a credit toward future assessments.

\*Important footnote: The above paragraph §19(a)(i) is superseded by RCW 64.90.525, per RCW 64.90.085(2). The original Bylaw verbiage has been retained to reserve all rights in the event RCW 64.90.085(2) no longer applies. Under by RCW 64.90.525, per RCW 64.90.085(2), our annual dues, assessments, and special assessments payments are combined into a budget and that budget is placed on the ballot by the Board of Directors. If the budget is not rejected by owners holding the majority of ALL votes in the Association, the budget is ratified.
