Distributed a folder with copies of the WUCOIA sections that went into effect January 1<sup>st</sup> and a copy of the current Bylaws. Reviewed each of the sections briefly and explained how our Bylaws need to be amended to include any conflicting language or add additional language necessary to comply.

The goal is to present the amended Bylaws to the membership for a vote in November at the AGM. We will be working with attorney provided edits as well as offering our suggestions on how to incorporate the WUCIOA sections into our governing documents.
