* The Association's internal policy is to write off any member receivables that are 30 days past due as bad debts for internal financial statement purposes. As per SVCA policy, Management continues to pursue collection of these receivables via all avenues allowed by Washington State laws. In addition, the Association records and bills finance charges on receivables that are thirty days past due at 1% per month. At January 31, 2023, and December 31, 2022, the balances of receivables written off were \$667,224 and \$599,478, respectively.

** Beginning with the 2020 year end audited financial statements, Accounting Standards Codification (ASC) 606 requires issued audited financial statements to reclassify unspent capital dues revenue, including applicable capital transfer fee revenues, as a contract liability balance (unearned revenue), which is then reversed out in future years when these collections are actually expended on capital related expenditures. This particular accounting standard change is only incorporated into the issued audited financial statements and is not factored into SVCA's internal monthly statements as it would obscure the reality of capital related collections for internal monthly presentation purposes. See SVCA's 2020 and 2021 audited financial statements (2021 represents the most recently issued audited statements), which fully incorporates ASC 606 and complies with Generally Accepted Accounting Principals (GAAP).
