SVCA announces new board members, new GM

Annual consolidated budget also approved at Nov. 2 AGM

By Bill Helm Editor

SUDDEN VALLEY — In December, Sudden Valley Community Association will have a new general manager.

With more than 20 years of management experience in California and Washington, Michael Bennett will take over from Jo Anne Jensen. On Dec. 12, the board will officially introduce Bennett to the Sudden Valley community at its only meeting of the month.

"Come out to welcome the new GM," Jensen said during the Nov. 2 AGM in the Dance Barn. "I'd love to say 'goodbye' to you all in person."

In April, Jensen announced that she would retire at the end of her contract, which expired on Oct. 31. However, Jensen agreed to stay on at Sudden Valley until the new general manager was in place.

The big news to come out of the Nov. 2 AGM was the results from the annual election. With 993 ballots received, incumbents

Saving Lake Louise from invasive fragrant water lilies

By Bryan Burke SVCA Member

Sometime in the past 15 years, invasive fragrant water lilies were introduced into Lake Louise. By 2020 they filled all of the available habitat, still water between 2-8

The shallower areas are now completely covered from mid-May through mid-October, which deprives wildlife of their habitat.

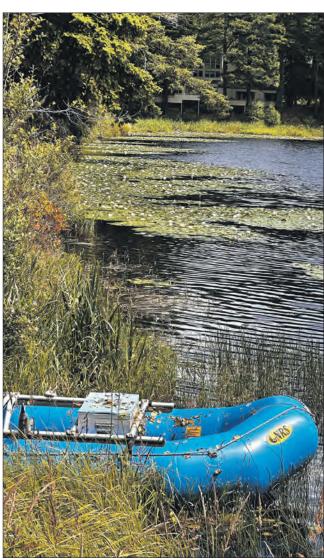

They block shore access for waterfowl and for the otters, beaver, and muskrats, not to mention people.

By blocking sunlight to native pond plants, they adversely affect the aquatic invertebrates that feed larger animals.

In the fall, the stems and leaves die and sink to the bottom, and decomposition lowers the Oxygen content in the water.

Through the winter, the rhizomes lay dormant, waiting to put up new growth in spring.

SVCA Member Bryan Burke, above left, in his boat, rowing back to the Sudden Valley Welcome Center (in the background) with a full load of lilies. Sometime in the past 15 years, invasive fragrant water lilies were introduced into Lake Louise. By 2020 they filled all of the available habitat, still water between 2-8 feet deep. Above right, Burke's boat, emptied out after a haul, with lilies in the background. (Photos courtesy Bryan Burke)

After summer 2023, I decided to explore ways to mitigate the infestation in 2024. Going after them from the shore would be challenging. Much of the shore is not easily accessible from land, and recovering the cut lilies wouldn't be easy either.

Recovery would be almost

as important as cutting them to avoid filling the lake with decaying matter. As a long-time river runner I

realized my biggest boat, a 14foot self-bailing raft, might be the ideal platform.

From it I could wield cutting implements against the weeds, then haul them into the boat, from which the water would drain out, and transport them away to a pick-up point.

The plants must be cut, and cut again a few weeks later, to starve the rhizomes that put out the shoots, leaves, and flowers.

In January, I reached out to SVCA staff for a meeting to discuss recruiting volunteers in April, find out what resources residents could bring to bear, and organize attacking the weeds

starting in late May. On May 14, the meeting finally came. The GM opened with a statement that the SVCA had no staff or funding to support the project, and besides, it was pointless - the lilies had taken over.

I forged ahead anyway. The maintenance department provided specialty cutting tools and hauled away the cuts that I dropped at the Welcome Center.

The deadline for editorial submissions (including letters to the editor) for the upcoming issue is the 23rd of each month

Editorial items may be submitted to: bill@lyndentribune. com. For advertising information and deadlines, please contact Mitze Kester at mitze@lyndentribune.com or call 360.354.4444.

How to manage hazardous trees

By SVCA Staff

Known for its ubiquitous trees, Sudden Valley requires residents to live side-by-side with beautiful, and often towering,

As with all things in nature, trees have a life span and can fall prey to disease. If this happens, it may be necessary to have the tree evaluated and potentially removed.

Here are some steps to removing a hazardous tree in Sudden Valley:

The best way to measure tree health is to hire an arborist to evaluate the trees. According to the Unites States Department of Agriculture, a hazardous tree is defined as "a tree that has a structural defect that makes it likely to fail in whole or in part." Some of these trees can pose an imminent danger due to decay or unstable branches.

Dead or dying trees usually pose a greater threat, but live trees can also be considered hazardous depending on the circumstance, such as structural defects or proximity to a home.

An arborist will identify hazardous trees and rate the risk of trees falling. If the hazardous trees do not pose imminent danger, removal must be approved by the Architectural Control Committee (ACC).

This is done by submitting a tree/vegetation trimming and/or removal request (Tree Form) and placing a ribbon around the tree for review

Once approved by the ACC, a Sudden Valley Community Association (SVCA) tree permit will be issued which is required to remove trees in Sudden Valley.

Sometimes removal requires a road closure which must be posted on the Sudden Valley website.

If there is a hazardous tree that poses an imminent danger as identified by an arborist, fill out the tree form and email it to office@suddenvalley.com or bring it to the Welcome Center. It must include the

arborist's assessment.

As per SVCA Policy 2006.03 #3, the general manager "has the authority to approve the removal of dead or hazardous trees and landscape plants on platted lots."

The GM understands the immediacy of these situations and reviews these requests as quickly as possible.

Once approved, an SVCA tree permit will be issued and if a road closure is needed for removal of the tree, it must be posted on the website.

Sometimes hazardous trees are on a neighboring property.

If that property is owned by a neighbor, contact the neighbor directly. If that property is owned by SVCA, fill out a tree form and email it to office@suddenvalley.com or bring it to the Welcome Center.

Be sure to indicate the tree is on SVCA property in the space provided on the left side of the form.

As with all tree requests, place a ribbon around the tree. Vinyl ribbon is available at the Welcome Center.

The maintenance team will evaluate the ribboned tree and, if necessary, have it assessed by a tree expert.

The tree will be placed on a list in priority order, and to save on cost, grouped for removal by area within Sudden Valley.

If the tree needs immediate attention, the team will quickly get multiple bids from tree removal services.

Ultimately the GM will approve the removal based on the budget and the bids.

There is not enough manpower in administration to follow up on every SVCA tree request. Once submitted, it is acceptable to follow up in two weeks for the status

Be aware that a Whatcom County Tree Removal Permit is required to remove any significant tree.

For more information go to whatcomcounty.us/2481/Tree-Removal or search "Whatcom County tree permit."

Maintenance building open house

Drop in and check out SVCA's beautiful new Maintenance Building on Saturday, Nov. 16 from 10 a.m. until noon. SVCA's Maintenance & Facilities Manager, Mike Brock, will be on hand to answer questions and give tours of the new facility. Members of the Board of Directors will also be on hand to speak with residents. The Maintenance Building is at 2800 Lake Louise Road, inside Area Z.

* The Association's internal policy is to write off any member receivables that are 30 days past due as bad debts for internal financial statement purposes. As per SVCA policy, Management continues to pursue collection of these receivables via all avenues allowed by Washington State laws. In addition, the Association records and bills finance charges on receivables that are thirty days past due at 1% per month. At August 31, 2024, and December 31, 2023, the balances of receivables written off were \$761,378 and \$623,674, respectively.

** Beginning with the 2020 year end audited financial statements, Accounting Standards Codification (ASC) 606 requires issued audited financial statements to reclassify unspent capital dues revenue, including related capital transfer fee collections, as a contract liability balance (unearned revenue), which is then reversed out in durre years when capital dues/capital transfer fee collections are actually expended on capital related expenditures. This particular accounting standard change is only incorporated into the issued audited financial statements and is not factored into SVCA's internal monthly statements as it would obscure the reality of monthly capital dues/capital transfee fee revenues collected for internal monthly presentation purposes. See SVCA's 2020, 2021, and 2022 audited financial statements (2022 represents the most recently issued audited statements), which fully incorporate ASC 606 and comply with Generally Accepted Accounting Principals (GAAP).

BOARD OF DIRECTORS

President: Keith McLean; Vice President: Taimi Van De Polder; Secretary: Linda Bradley; Treasurer: Laurie Robinson; Members: Rick Asai, Rob Gibbs, Tom Henning, Ray Meador, Stu Mitchell, Daniel Rodriguez, Andrew Tischleder.

SUDDEN VALLEY VIEWS is the official publication of the Sudden Valley Community Association. Published monthly, it has a circulation of 4,074.

Publisher: Sudden Valley Community Association
Executive Editor: Lynden Tribune and Print Company
Layout and design: Bill Helm, 360-354-4444; bill@lyndentribune.com

AROUND THE VALLEY

General Manager's report: Department highlights

The following comes from the general manager's report at the Nov. 2 AGM.

Administration

- Developed and launched new Sudden Valley Volunteers
- Supported significant revisions to the Architectural Control Policies.
- Introduced new procedures to keep member contact info database up to date.
- Created electronic system for filing leases by property address.
- Significantly increased the number of members using ACH to pay their monthly dues; this system is more convenient for members, improves both the reliability and accuracy of dues payments and reduces the number of manual transactions.

Accounting

Budget Development: 2025 proposed monthly dues increase of 7% will be allocated to both operations and capital reserves

Collections Rate: As of September 2024 vs September 2023: 97.8% / 97.5%

Expenses as a Percentage of Revenues: As of August 2024 vs August 2023: 83% / 80%

Audit Results: Received an Unqualified (CLEAN) Opinion on the 2023 Year End Financial **Audit Report**

Operational Net Income: Au-

Golf Course

- · Golf revenue and profitability, while strong, will not equal the 2023 results. At this time, we project that revenue will be about 1% lower than last year.
- · Weather affected performance (68% higher rainfall year over year from January to October) and damaged several greens in the early months of the year.
- Because the greens were damaged, discounts were offered through April to encourage play.
- Membership revenue is also slightly lower than in 2023 with a
- few factors contributing to this:
 - A slow start to the season due

Review of 2024 Capital Projects --Roads

These projects account for \$1,471,713 in obligated funds

	Project	Cost	Status	
	Ten-Year Roads Drainage Plan	\$132,350	Complete	
	Fast Response - Drainage Issues	\$88,400	In Progress	
	On-Call Engineering	\$41,600	In Progress

-				_

to green damage

- · Transition in golf staff early in the season
- · Less play from an aging membership
- On the positive side, golf outing and group play revenues are slightly higher than last year.

Looking Ahead to 2025

- Our focus for 2025 is to strengthen relationships with new and existing customers, boosting membership retention and sales.
- We also plan to increase the number of new junior and adult golf classes with the goal of bringing new golfers to the club.

Turf Care

freeze killed turf on 5 putting greens this season.

Our greens crew were able to bring them back to health allowing us to open 18 holes by late

- · Aggressive drainage was installed on #13-14 and 15 greens this winter.
- · Consistently top-dressed greens resulting in smooth putting surfaces and fairways, as well as improved drainage.
- · Constructed four new gold tee boxes improving playability for senior and beginner players.
- · Received capital funding for the replacement of a tractor, utility vehicle and sand raking unit.
- · First phase of a three-phase program of cart path repairs was completed successfully.
- Worked closely with golf shop staff to ensure that main-

completed with the least possible disruption in play.

Recreation

- · Overall, 2024 non-assessment revenue attributed to Recreation increased by more than 20% over the previous year.
- · Most of the increase was contributed by pools, which saw a 34% increase in revenue.

Other highlights include:

 Continued preseason certification for lifeguard

staff and added two refresher

training events

 New pickleball club formed Continued growth in use of

• Introduced drop-in events for recreational sports: soccer, tennis, and pickleball

Pickleball Club: Get active with this popular sport for all ages. Meets every Saturday at 9:45 a.m. at the Rec Corridor Pickleball Courts in Gate 2. (The Views photo)

By Kyle Kaltenfeldt SVCA Staff

Now that cooler and wetter weather makes indoor activities more interesting, perhaps it's time to explore Sudden Valley's many resident-organized clubs. Open to everyone and free to join, these SVCA-approved clubs offer opportunities for camaraderie and community involvement.

What are Sudden Valley clubs?

Sudden Valley Clubs are resident-led groups that encourage community engagement through shared interests and activities. Each club offers something unique and aims to create a welcoming space for all.

How to start an SVCA club

To form a new club, activities must be distinct from existing SVCA programs and clubs and be open to all interested residents. Additionally, interest in the club must be demonstrated through a sign-up sheet at the Community Center or social media engagement that shows community sup-

Current clubs in Sudden Valley

- Gardening Club: Cultivate a love for plants, flowers, and sustainability. Meets the second Tuesday of every month (except December & January) at 2 p.m. in the Library.
- Mindful Meditation Club: Relax, reflect, and recharge with guided meditation. Meets every other Saturday, 9:30 a.m., in Multi-Purpose Room A at the Community Center.
- Tai Chi Club: Embrace balance and health through Tai Chi practices. Meets every Thursday, 10 a.m., in the Dance Barn.
- Ping Pong Club: Perfect your game and meet fellow table tennis enthusiasts. Meets every Tuesday, 6-8 p.m., and Saturday, 4-6 p.m., in the Dance Barn.
- Pickleball Club: Get active with this popular sport for all ages. Meets every Saturday at 9:45 a.m. at the Rec Corridor Pickleball Courts in Gate 2.
- Remote Sailing Club: Set sail with fellow enthusiasts every Tuesday, 10 a.m., at the Marina.

Interested in starting a new club or learning more about an already existing club? Email us at recfrontdesk@suddenvalley.com.

SVCA facilities closed for Thanksgiving

The Welcome Center, Fitness Center and Golf Course will all be closed on Thanksgiving, which takes place this year on Nov. 28. The Fitness Center and Golf Course will re-open on Friday, Nov. 29, but the Welcome Center will remain closed until the following Monday, Dec. 2.

PRESENTED BY Sommer Nyte, REALTOR®

Deadline for the December edition will be Friday, Nov. 22nd

Dmitry Mora completes Eagle Scout project

Sudden Valley teen earns Eagle Scout rank with his community project

By Kyle Kaltenfeldt

SVCA Staff

At just 13 years old, Dmitry Mora has achieved the rank of Eagle Scout, the highest honor in Boy Scouts of America.

Dmitry joined Cub Scouts in 2019, moved up to Boy Scouts in 2022, and achieved his Eagle Scout milestone in October.

Dmitry said his favorite part of scouting is the adventure of camping out at local camp spots and attending Summer Camp at Fire Mountain Scout Camp in Mount Vernon.

His favorite merit badge earned so far, railroading, provided him with an unforgettable experience learning about local railroad operations and even riding up front on a train with a conductor.

For his Eagle Scout project, Dmitry enhanced a local recreation area near the AM/PM beaches by adding games like giant Jenga, giant checkers, and giant connect 4 to complement a giant chess set.

He and BSA Troop 4019 built custom storage benches for the games, complete with QR codes that residents and visitors can scan to access the bench's lock combination.

His Eagle Scout ceremony took place in October in the Dance Barn, led by a fellow Eagle Scout from his troop.

In honor of his achievement, Dmitry was given an American flag that had previously flown over the U.S. Capitol.

Reflecting on his scouting experience, Dmitry said, "scouts is a great way to get outdoors," and shared that the most valuable skill he's learned is "successfully using a camp stove," a skill likely to serve him well on many more adventures ahead.

As part of his Eagle Scout project, Dmitry Mora added two new storage benches with three additional yard games (giant checkers, giant Jenga and giant connect 4) to the Sudden Valley Community at am/pm beach. Additionally, Dmitry's storage benches include a QR code that can be filled out to get the combination to open and play the games. This project was completed by BSA Troop 4019 in Bellingham. Dmitry's Eagle Scout Court of Honor was on Aug. 27. (Camille Mora for the Views)

Halloween haunts Sudden Valley

By Maxx Robinson SVCA Staff

On Saturday, Oct. 26, Sudden Valley held its annual Trunk or Treat event to celebrate the Halloween season, with 19 highly decorated cars lined up at the Community Center that handed out candy to Sudden Valley families on the chilly October night.

The event began around 5 p.m. with a line of families stretching across the Community Center parking lot and turning toward the Whatcom County Library. Cars were decorated by Sudden Valley residents, with each car having its own theme and intricate details.

From a spooky clownthemed trunk to a pirate ship complete with a mast and giant octopus, there was no shortage of creativity on display.

Some trunks even had special effects, such as lights, fog machines, or a giant spider that pounced as you reached for candy.

In addition to trick or treating, there was also hot dog and kettle corn vendors, a bouncy house, Halloween music, and a pumpkin carving event hosted by Christ the King Church. The entire Trunk or Treat event lasted around two hours, with Sudden Valley rec staff helping refill candy bowls for each trunk to keep the sugar rush going.

Thank you to all the Sudden Valley residents who participated in this event, whether you transformed your trunk into a spooky display, or dressed up with your family to trick or treat. We hope to see you again next year.

An impressive clown-themed trunk built over the course of three months.

Children parade in their Halloween costumes.

Events for kids at the South Whatcom Library

Storytime pirate party

Wednesday, Nov. 13 10:30 – 1:30 a.m. at the South Whatcom Library. Storytime Pirate Party for ages 2-6 this morning. Come dressed as a pirate if you like and be prepared to walk the plank and look for treasure. Avast ye landlubbers!

Let's build a treasure box

Saturday, Nov. 16 2–3 p.m. at the South Whatcom Library. Do you have a special place to keep your treasures? Come to the library to decorate a box perfect for storing those valuable trinkets you don't want to lose

South Whatcom Teen Corps: Let's build a treasure box

Saturday, Nov. 16 1:45–3 p.m. at the South Whatcom Library. We need teens with a community spirit to help out with our Treasure Box program for kids. You'll help pass out supplies and assist kids in all the making and the doing. Teens in grades 6-12 can register below.

AGM: Board announces new board members, new GM

Continued from 1

Ray Meador (713 votes), Rick Asai (689 votes) and Taimi Van De Polder (615 votes) retained their seats on the board. Each will serve three years. A newcomer, Tom Henning (610 votes) will serve two years on the board.

Another challenger, Nancy Alyanak received 503 votes, which was fifth out of five candidates.

Following the AGM, the board held its organizational meeting to name its executives for 2025. As with 2024, Keith McLean will serve as board president, Taimi Van De Polder will be vice president, Linda Bradley will be secretary and Laurie Robinson to serve as treasurer.

Sudden Valley mailed out 3,023 ballots via USPS, another 97 via Canada post.

Sudden Valley had two candidates to fill six openings on its Architectural Control Committee (ACC). Both incumbents, Allen Helvajian (775 votes) and Daniel Vink (664 votes) will remain on the committee.

The ACC is responsible for reviewing requests to make exterior modifications to your property. These may include requests regarding limbing or removing a tree, general landscaping, exterior paint, adding or replacing a patio, roof, skylight, deck, generator, heat pump, playground equipment, gutters, windows or anything else

that changes the look of the exterior of the property.

The ACC will solicit interested Sudden Valley members to serve in 2025. Visit SuddenValley.com to apply.

At the Nov. 2 AGM Sudden Valley had no candidate for its Nominations & Elections Committee.

Also on Nov. 2, the association's participating members voted 621-340 to approve the \$7,533,142 annual consolidated budget for 2025.

Projected assessment revenue is \$5,525,641, other operating revenue is a projected \$2,007,501.

The total monthly dues (operations and capital dues) for the proposed 2025 annual consolidated budget are \$156.28 for a developed lot, \$148.41 for an undeveloped lot.

The association's participating members voted 854-82 to approve a bylaw amendment to revise Article III Section 4(3)(b) to remove "inconsistent descriptions of a director's term of office."

This measure required twothirds support from its participating voting members.

At its Oct. 26 meeting, the Sudden Valley Board of Directors approved the proposed retaining wall easement for 18 Sudden Valley Drive, to give the GM permission to execute the agreement, and to set a \$3,250 fee to cover legal, recording and surveying costs.

Also on Oct. 26, the SVCA Board approved a one-meeting-per-month schedule for November and December 2024. The board's next two meetings will be 7 p.m. Nov. 14 and 7 p.m. Dec. 12. The Dec. 12 meeting will include a 6 p.m. reception to greet the new GM, Michael Bennett.

Burke: Save Lake Louise

Continued from 2

A few volunteers who could put in an hour or two now and then joined in. Together we have removed an estimated 4,800 pounds of invasive lilies, keeping the area by the Welcome Center mostly clear and cutting into the cove by the causeway to attract attention, test methods, and prove something could be done.

The task is huge, but the stakes are high. This spring there was a near total failure of the resident ducks to reproduce.

Ducklings must move quickly from their nests ashore to open water and that access no longer

Based on the weight of lilies cut and removed, in the north cove a minimum of five tons of weeds will die off every fall and sink to the bottom. In a few years this area will be a rotting marshland, possibly cutting off the spillway that provides summer irrigation water for the golf course and perhaps even endangering the

The south end of the lake, once a bird sanctuary, has already filled in with lily mass to the point where it scarcely counts as part of the lake during the summer. Other shallow areas will see the same fate if nothing is done.

I hope to work with the incoming Board, new general manager, staff, and volunteers from the community to formulate a plan to renew the attack in 2025. Daunting as it is, it can be done in stages and include a wide range of vol-

If you would like to support the effort, keep an eye open for announcements in spring 2025.

Submitting articles of interest to the editor

B / (W) = Better / (Worse) Than Budget

SVCA members are encouraged to submit articles of interest for inclusion in the Views. Member submitted articles should focus on areas of interest to the Sudden Valley community.

Opinions, complaints, and politicking belong in the Letters to the Editor, and will not run as a member feature article.

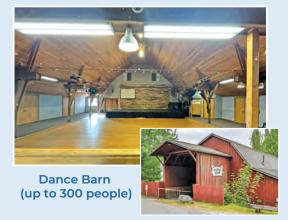

Articles promoting a vendor's services, or advertisements disguised as articles, will not be accepted.

The Views has a separate mechanism for advertising a business, and that is where such information should be kept.

However, to provide fair and equal access, consecutive submissions by a member will not be permitted.

In other words, members who have already had an article published may not submit an article for the following issue.

Have your next meeting or event at the SVCA Community Center!

Multi-purpose Room A (up to 40 people)

SUDDEN VALLEY VIEWS

Democracy in action

Girl Scout Juniors from Troop 44348 recently advanced their Democracy in Action badge work through an inspiring meeting with **Sudden Valley Community Association board** members Taimi Van De Polder and Laurie Sousa Robinson. The Girl Scouts engaged in a thoughtful discussion about civic engagement and community leadership, asking insightful questions about the board members' experiences and what motivated them to serve their community. Our upcoming female leaders gained firsthand knowledge about local governance and citizenship in action. We are deeply grateful to Ms. Van De Polder and Ms. Robinson for sharing their time and wisdom with our Girl Scouts, helping to inspire the next generation of community leaders. Pictured from left to right, Arabella S., Evie P., Meredith W., Arya S., Norah C., Sapphire B., Cassidy R. and Farrah H. (SVCA photo)

Koda

This month's pet of the month is Koda, submitted by Nakell Jones.

This is Koda! His parents are Brendan and Chelsie Cowden. Koda loves getting pets and cuddling. He hates being cold and sharing attention with his siblings.

Do you have a pet of the month?

If you think that your pet is ready for prime time, please send a high resolution photo with your pet's name, your name, and a brief description to office@suddenvalley.com

THE SUDDEN VALLEY Pet of the MONTH IS SPONSORED BY:

Locally Owned Since 1993
